

## Genesis 1-11 (BT80302)

### DESCRIPTION

The Bible without Genesis would be, in the words of one writer, "like a building without a ground floor or a bridge with no support." Genesis is, in some ways, the most important book ever written and without it so much of the rest of the Bible would be unintelligible. Here we have an indispensable introduction to the Bible as a whole and some foundation stones of truth are clearly laid down.
